

DOLCESALATO

30min of circus-theatre show
with chinese pole, unicycle and clown.
Tout public - no text
Person on stage/on the road: 2

"Two bakers, a cooking book and
disagreements in the kitchen.
A lively rhythm takes you to a familiar,
but at the other side quite undefined
world, where suddenly everything
becomes possible.
The ingredients, carefully chosen and
kneaded in a eccentric manner invite
you to a special bread. Buon appetito!"

by and with circocarpadiem

Luca comes from the countryside of Prosecco, sensitive and amused, air

THE COMPANY

circo carpa diem

They met them in a Social Circus Project in Kenya and share the passion for circus and his pedagogy. They studied in "Carampa" Circus School, Madrid, specializing in acrobatic duo, chinese pole and unicycle.

They are currently continuing their training in Spain, Italy ("Flic", Torino Circus School) and Argentina.

Katharina comes from the Italian Alps, generous and sunny, fire
